

IF IT HAPPENS
IT'S HERE**McFARLAND WINS
AND LOSES RACE****Catches Pye in Pursuit Race
and Then Fails to Go
Around.**

Because Floyd McFarland had not read up on the latest racing rules he lost the match pursuit race against E. A. Pye last evening at the saucer track. After riding nearly ten miles, McFarland caught Pye and patted him on the back and sat up. McFarland then quit and Pye continued until he had passed the lengthy Californian and was declared the winner of the race. McFarland protested and said he did not have to pass Pye, but merely catch him. A hurried examination of the dope books showed that the rule reads "catch and pass," and McFarland's name, therefore, goes in the summary as second.

In justice to McFarland it should be said that the old rule for an Australian pursuit race did read "catch," your opponent. McFarland could have easily gone around Pye, and should have done so, as it has always been the custom to ride around the man on the Salt Lake track.

Large Crowd Present.

One of the largest crowds of the season was present, and it probably safe to say that this race pleased them better than any other match race seen this year. Pye took the lead in the early part of the race and held it for seven miles, now gaining and now losing distance. McFarland then led for a few laps. The riders saw-sawed back and forth for the next couple of miles, and then McFarland sprinted up and touched Pye on the back and sat up and quit.

Fast Time in Three-Mile.

The three-mile lap race was about the fastest piece of riding seen around Salt Lake for many a day. The Pye-McFarland-Lawson combination had easy sledding at first, but McFarland second, but the real feature came when the time was announced. It was given out at 3:33.3, just twenty seconds. Many thought a mistake had been made the time, even the riders themselves, but when three watches agree it is pretty hard to go behind the dope. Although the crowd failed to realize it, this is about the fastest time ever made on the track, considering the distance and conditions of the race.

In the handicap even both professional and amateur, the scratch men were handicapped out of any chance to get the money and the scrap lay between the limit men.

Hume Wins a Race.

Elongated Jack Hume won a race last evening. This is the first one for several days which has gone to the tall boy. It happened in the two-mile race when Jack kicking home a foot to the good over Berressa.

W. E. Samuelson was sent against the track record for a motor-paced mile of 1:24.1-5 held by Downing, and rode the distance one second faster.

J. E. Holliday took a bad fall in the heat of the half-mile amateur handicap. A doctor was called, and it was found he had run a splinter through his breast between the ribs, which it is thought punctured his lungs.

The summary:
Half-mile handicap, professional-Final: Smith (50 yards), Bardgett (35 yards), Downing (15 yards), Achorn (30 yards), Wilcox (50 yards), Clark (40 yards). Time—56.15 seconds.

Half-mile handicap, amateur-Final: Diefenbacher (45 yards), McLaughlin (35 yards), King (55 yards), Mayrhofer (35 yards). Time—56.15 seconds.

Three-mile lap, professional-Lawson, McFarland, Folger, Bardgett. Time—5:33.35. (Record—5:28.45.)

Match pursuit race—Pye beat McFarland, distance 9 miles 7 1/2 laps. Time—22:15.

Two-mile open, amateur-Final: Hume, Berressa, West, McCormack, Mayrhofer. Time—4:09.2-5.

**OGDEN VISITED
BY BAT NELSON****May Be Something Doing in
Fistic Line With Cham-
pion in Ring.**

(Special to The Herald.)

Ogden, July 24.—Battling Nelson and his manager, Billy Nolan, arrived here from Chicago on the Overland Limited at 4 o'clock this afternoon. They are at the Reed Hotel. Tomorrow they will go to Ogden canyon, where they will remain for two weeks.

Nolan did the talking for the two. He said:

"We are here to spend a little vacation among the mountains with Nelson's friend, Harry Patterson. Our plans for the present are uncertain, but they are not adverse to a little boxing bout while in Ogden, providing there is enough money in sight. Nelson will fight anyone that can reach his weight and will not draw the color line."

"How about Gans?" he was asked.

"Well," he said, "you can say that he is as emphatically as you can that Nelson is not matched to fight Gans. The published reports to that effect are simply hot air, sent out by Coffroth or his press agent at Frisco. They claim there that Gans would be a good card. I don't think so. If they are as firm in their belief, as they pretend, let them put up the necessary money and see how quick Nelson gets into the ring, and Gans can get all the side bets he wants, too. Sept. 9 is an open date on our schedule and if Gans can put up the coin to make his worth while he can have a match at that time. If this is arranged we will probably go from here to the coast, otherwise we may remain here until the first of September and then go back east. There are lots of places where they are anxious to get Nelson. As to Coffroth, he is a good promoter, but let me say, that until he makes good the \$5,000 that we were 'twined' out of in the Britt fight, he can do no business with me, and he knows it."

"Kid" Hermann is perhaps the most likely of all those trying to get a bout with Nelson. He has beat about all of them. After the first of November we will sign up for a forty week theatrical engagement."

Concerning a match at Ogden, Nolan said, when asked what he thought of a go with Fighting Dick Hyland.

"We will take Hyland on if there is enough money in sight."

Nelson said practically the same thing and added that he could not afford to risk his reputation unless there was enough in it as a man always runs a risk of being knocked out.

If it's too hot in town, go to Calder's. Calder's is a six-day resort. We rest on the Sabbath.

HEALD SPURNS NEWS**HEUSSER IN BOX
DOES GOOD WORK****But Salt Lake Loses to Eureka
and Pitcher Graves Causes
the Trouble.**

Ernie Heusser made his initial how on the Salt Lake team yesterday and the game goes against him by a score of 5 to 1. Heusser was beaten but not disgraced and the same kind of work from now on to the end of the season will come close to winning a big majority of his games. Heusser was wild yesterday, which contributed to his defeat, but his five scattering hits, some of which were timely would not have caused the White Wings any trouble if they had not been followed up by errors. Heusser contributed one of them himself and his free passes to first were also damaging. He showed, however, by the way in which the miners were fanned that he is a dangerous man on the slab and will have to be figured on in future contests.

Graves is a Live One.

While Heusser did great work on the slab it is hard to tell that Graves from Eureka. He was simply invincible and put up the best exhibition seen on the local diamond this year. Two hits were all that White Wings could get off his delivery in the nine innings. He had the White Wings popping up flys and knocking them down the infield from the start and at no stage in the game did he weaken for a second. The fourth King reached first on a hit, by Stewart with none out. Stewart died right where he stopped. Then Douglas came up a little later in the game with a three-bagger and none out. A caught fly to right field allowed Douglas to score the run that saved Salt Lake from a shut-out.

Eureka's runs were scored from a combination of errors and hard luck. In the fourth King reached first on a hit, O'Connell bunted to Heusser, who turned quickly to execute a double with plenty of time, but three short to Douglas second, giving two men life with none out. Then Rush flew out to short, which should have been the third put-out. Lumley struck out and then Ernie went wild and walked Graves. Newell followed with another base on balls, forcing King by Graves. Left on bases—Salt Lake 4, Eureka 10. Double plays—O'Connell to King, Wild pitches—Heusser. Passed ball—Lumley. Hit by pitcher—Lumley. O'Connell, Newell, Stolen bases—Graves, Sacrifice hits—Wall, Umpire—Ferrin. Time of game—1:30. Attendance—80.

**ARDELL MAKES
NEW RECORD****Enormous Crowd at Grasse
Pointe and Sensational
Harness Races.**

Detroit, Mich., July 24.—In the presence of the largest crowd that ever went to a harness race in Windsor, a new record was marked up this afternoon. Ardell, the Chamber of Commerce stake candidate of Geers, won the opening mile in 2:24, which is faster than the big stake was ever won at Grasse Pointe, and the fastest mile ever made by a mare in her first racing season in July. Ardell was favorite over a big field and beat them as she pleased, winning the first heat from behind, and the others being in front. Every winner was a race favorite. In the 2:24 trot Ann Direct showed much class and won without being extended. Two other M. & M. candidates in the event showing poor form. Allie Jay, also in the M. & M. field, won an impressive heat in the 2:24 trot, but that ended her, Morone being the best horse of the lot.

The 2:28 trot was a workout for the sensational Maudie, that stallion winning handily and in the season's trotting record of 2:28. Results:
2:24 trotting, purse \$1,000—Maudie, 2:24, 2:24. Billy H. Fashoda, 2:24, 2:24.
